

The Bicycle Repair Man

Wednesday 15th June

Is your cycle roadworthy?

Does your cycle need adjusting / tuning?

Get free cycle checks adjustments with HarBUG

The Bicycle Repair Man will be at the Harwell Campus:

- **Time: 08:30 to 17:00**
- **Location: Outside the Satellite Applications Catapult Building, Fermi Avenue.**

Notes:

- Work will be carried out free of charge for labour only, any parts used must be paid for.
- Jobs will be carried out on a first come first served basis.
- We cannot guarantee to carry out work on all cycles left on the day.
- Work is limited to roadworthy checks, adjustments and minor repairs.
- Work will be refused for cycles where it is deemed there is too much work needed.

Sponsored by:

**Science & Technology
Facilities Council**
