Annual General Meeting 2024

**Tuesday 15th October
12:30 to 13:30 at the DiSH tent**

The meeting is open to anybody who cycles to, from and around the Harwell campus or anybody who has an interest in cycling.

We are always seeking enthusiastic volunteers to join our committee and help shape the future of cycling in and around Harwell Campus. HarBUG is dedicated to promoting cycling as a sustainable and healthy commuting option, and we need your help to continue encouraging more people to commute by bike.

Your contribution will be invaluable whether you're interested in organising events, maintaining webpages, advocating for better cycling infrastructure, or supporting our campaigns to make cycling to work safer and more accessible. If you have ideas on how HarBUG can further develop our initiatives, we would love to have your input.

HarBUG relies on the work of volunteers to make a difference. Please join us!

If you would like to join our committee or you have any issues that you would like discussed at the AGM, please email us by Tuesday 8th October:
